**Network Marketing Training is a Simple Business.**

Seattle, WA June 28, 2005

Vegas Buzz Radio and The Hare Brained Ideas Group have teamed up to create The NetMillionaireBuzz Radio Show. This marks June 28<sup>th</sup> for the dynamic interview with Network Marketing trainer, Paula Pritchard on the Group's Explosive New Radio Show. In conjunction with their new MLM Money Game, "The NetMillionaire Training System" designed for the Network Marketing Industry, the show is a phenomenal new tool that MLM business owners and entrepreneurs can use to get the inside scoop on training skills, success practices and much, much more. In turn, they can share this information with their associates and employees to accelerate their businesses to the next level.

The NetMillionaireBuzz Radio show is hosted by two of the creators of "The NetMillionaire Training System" which is the first ever "edu-tainment" training program for the Network Marketing industry in the form of a high quality board game. This engaging training system encourages the participants to interact through role playing and participatory techniques which act as mental anchors, re-enforcing the training materials. This creates a powerful method to retain information for the players.

This first ever radio program for creating a buzz in the Network Marketing Industry, is hosted by this team of trainers, speakers and business managers. The NetMillionaire Buzz Radio Show sets itself apart with an exclusive interview with "MLM Made Simple" co-founder Paula Pritchard.

Paula was pursuing her doctorate degree at Kent State University, when she decided to attend her first network marketing meeting. Her first experience was with Amway. Out of a million distributors at the time, there were approximately 300 Diamonds and above. Paula was the first single woman in North America to reach Diamond. Today Paula is known worldwide not only as one of the top network marketers and trainers, but also as a person of integrity in a very competitive industry

**An excerpt from her training program;** The information that we will be sharing with you is priceless. It is information that took years to develop and collect.

If I had had this information available to me from the beginning, I would have made it to Amway Diamond in at least half the time, maybe faster.

And to prove it... my 2nd network marketing company was Herbalife where my first month I did over \$80,000 in volume. I made \$19,000 my first month, qualified for their elite Corporate School, and never made less than 5 figures a month after that. I did not use Amway people to build my Herbalife business [www.herbalife.com](http://www.herbalife.com) . I kept both very separate.

My 3rd network marketing company was NSA. The top position at that time was National Marketing Director which required \$500,000 in group volume over 6 months, \$100,000 of which needed to be in your open organization. I made it to the top position in 6 months. Kathy made it in 8 months. Again, I did not drag my Herbalife people to NSA.

Our 4th company Quorum, required us to build 5 separate lines doing \$200,000 each over 90 days, which is \$1,000,000 in volume over 90 days to become Diamond. That was a million dollars in 1992. How much would that equate to today? It was amazing that we accomplished this feat in 5 months which was one of the fastest ever in company history.

We have made it to the top position in every company we have been involved in. We even put 15,000 people on pre-application in England within a 6 month period for a company called -Link which, at the last minute, decided it couldn't expand to Europe.

And just to show that it still works today, in 2002, we worked with a new company that required 20 frontline to be at the top position. We went to the pre-launch with 17 frontline, mostly top network marketers, and when the company launched, we had the largest organization and largest commission check in the company.

We know how to build a large network marketing business and we know how to do it in record time.

Through [www.MLMMadeSimple.com](http://www.MLMMadeSimple.com) , we want to teach you the key ingredients that resulted in our continuous rise to the top income levels in all these companies.

Our mission will be to help you and your downline to do the same.
